**Jett8 Airlines Cargo Pte Ltd. appoints Hactl
to offer comprehensive cargo handling services**

(24th June 2007, Hong Kong :) Hong Kong Air Cargo Terminals Limited (Hactl) is pleased to welcome Jett8 Airlines Cargo Pte Ltd. (Jett8) to join the Hactl family as the carrier operates its first commercial flight on 23rd June 2007 between Singapore and Hong Kong.

The carrier has appointed Hactl as its total solution cargo service provider at Hong Kong International Airport. The services rendered to Jett8 include physical cargo handling, air cargo documentation handling as well as ramp handling.

Ms. Lilian Chan, General Manager, Marketing and Customer Service of Hactl said, "We are very pleased to welcome Jett8 as our new customer, and we congratulate the carrier on the launch of its freighter service to Hong Kong. Hactl is committed to delivering efficient and reliable customised cargo handling services to Jett8, ensuring the carrier would benefit from our one-stop solution."

Mr. Louis Tan, Chairman & CEO of Jett8 said, "We chose Hactl because we are confident that their highest level of service standard and customer service would help us develop our business in Hong Kong. I look forward to building up a long-term and successful business relationship with Hactl. "
